The Problem

4 out of 10

Danes think cleaning
is a hassle

Lack of trust

in letting strangers into your
home

Difficult

to book cleaning help

Too expensive

to get regulated cleaning,
compared to black market

The Solution

Booker
looking for cleaning help

Platform
connecting the users

Helper
looking for flexible work

350.000

cleanings completed

**Listed in April 2018 on
Nasdaq First North**

**We are in Denmark,
Germany and Estonia**

Our vision:

Create happiness

Dating profile

We're looking for a person who...

1. has build a two-sided platform in multiple countries
2. shares our vision
3. do not feel like he/she just wasted 7 minutes and see Happy Helper as a business romance worth investing time and energy on

Thanks!
